PEKEMO (VOODOO BRAND) CANDLES

Candles have been used for centuries in mysterious practices, particularly by Voo-Doo men. One book mentions the Atlanta Spell which was worked by four small candles in form of a cross with large candle at the head and feet. One book says to get the one you love you should burn 6 Red Candles with their name on parchment underneath each candle. Also another advises to burn one red candle each night for 6 nights. To make a man come home one book advises to burn a pink with 60 pins stuck in them; 30 on each side. Of course, we take no stock in superstition but sell these candles as curios only.

6th and 7th BOOKS of MOSES

ORDER NO. G-50

This interesting Book was translated from the Teutons in 1880 Godfrey, after which it was published in English. The Book contains over 125 Seals, Signs, Emblems and is thought to have been used by Moses, Aaron, the Israelites and the Egyptians in the practice of their amazing Magical Arts. Extracts from it were supposed to have been taken from many rare and olden books used for the welfare of man. A legend regarding this book says, "Moses wrote more than the Five Books given in the Bible. He wrote 10 books in all but the second five books were eliminated because the writers of the Bible felt that the information they contained should only be kept for Adepts, High Priests. They felt if this information and the power they were said to disclose would be made available to all, the common people would use it unlawfully. Many people who have obtained this book considered it a source of Happiness and Prosperity. We make no claims regarding this book but sell it as an interesting book on ancient lore.

THE ANCIENTS BOOK of MAGIC

WHAT THE BOOK PURPORTS TO TELL. How Ancient Hinduees, Egyptians invoked the dead; how they attracted the love of the opposite sex; made people do their bidding, etc., etc.

Here is a book that actually lives. The Author claims it embraces the whole science of Art and Necromancy — The Magic of Seals, How to make and consecrate them, Amulets, Magical Symbols, Magical Ceremonies, Invocations, Prayers, Human Implications, All Kinds of Exorcisms, Benedictions of water (Holy Water), Oil (Hold Oil), Drugs, Herbs, Incenses, Candles, Wax, Instruments and Materials used by the Hindu Adepts, Master Lamas, Necromancers and Conjurers for White or Black Magic. SHOWS HOW TO PROTECT ONE'S SELF FROM WITCHCRAFT, EVIL SPIRITS, SORCERY AND SPELLS. Note! The publisher nor the seller do not make the above claims—but are extracts from the author's works and neither assume responsibility for them.
